

Welcome to Västerås Oksana Vertinska

I have joined the Dog World since 1982 when I got my first dog, a black Riesenschauzer. During the years I have owned only various schnauzers breeds- black Riesenschauzers, p/s Mittelschnauzers, p/s and white Zwergschnauzers. I started to breed Schnauzers in 1990- ("Dinamunde" kennel).

During 1983-2019, I had the honour of being elected President of the Latvian Schnauzers Club.

I got FCI judging rights in 1991. As international judge I had the opportunity to judge in LATVIA, Lithuania, Estonia, Belarus, Russia, Poland, Finland, Sweden, Denmark, Norway.

I believe the main task of the dogs judge is to help to maintain breeds uniqueness, so the modern dogs could meet goals and objectives of the breed creators.
